

# Pure Improvement

## Innovation Value Stream Analysis

### What?

We will create an improvement vision for your organisation, business unit or department. By working alongside your team, we will understand the current state of the business processes, design the Value Stream Vision and define an implementation plan to achieve the desired results.

### Who?

The workshop team should be composed of the business unit/department manager along with the leaders of all areas that have an impact on the processes under review.

### How long?

We will work in intensive workshop sessions, over a period of one to two weeks, depending on the scope.

### Deliverables

- Data collection and analysis, KAIZEN™ methodology training
- Current State Mapping, Leadership Assessment
- Future State Mapping, Implementation plan
- Final Report with cost-benefit analysis

### Estimated Benefits

8-15% increase in development productivity

40- 50% decrease in project lead time

1,5-2,5x increase in gross profit
