Value Stream Analysis

WHAT?

We will create an improvement vision for your innovation value stream. By working alongside your team, we will understand the current state of the innovation and research processes, design the value stream vision and define an implementation plan to achieve the desired results.

WHO?

The workshop team should be composed of the business unit/department manager along with the leaders of all areas that have an impact on the processes under review.

ESTIMATED BENEFITS

8-15%

increase in **development productivity**

HOW LONG?

We will work in intensive workshop sessions, over a period of one to two weeks, depending on the scope.

40-50%

decrease in **project lead time**

1,5-2,5x

increase in **gross profit**
