Innovation Value Stream Analysis

WHAT?
We will create an improvement vision for your innovation value stream. By working alongside your team, we will understand the current state of the innovation and research processes, design the value stream vision and define an implementation plan to achieve the desired results.

WHO?
The workshop team should be composed of the business unit/department manager along with the leaders of all areas that have an impact on the processes under review.

ESTIMATED BENEFITS
8-15% increase in development productivity
40-50% decrease in project lead time
1,5-2,5x increase in gross profit

DELIVERABLES
• Data collection and analysis
• Value Selling Analysis introduction
  • Current State Mapping
• KAIZEN™ methodology trainings
  • Future State Vision
  • Implementation plan
• Final Report with cost-benefit analysis

HOW LONG?
We will work in intensive workshop sessions, over a period of one to two weeks, depending on the scope.
